Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Sunday 25 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry day with sunny spells. Feeling warm.

Today:
It will be another fine and dry day with plenty of sunny spells in between any cloud breaks. Feeling pleasantly warm in the sunshine with light winds. Maximum temperature 26 deg C (79 deg F).

Tonight:
Staying dry across the region this evening with plenty of clear spells overnight. It will be another warm night with light winds. Minimum temperature 12 deg C (54 deg F).

Monday:
A dry start to Monday though potentially some heavy, possibly thundery, showers breaking out during the afternoon. Plenty of sunny spells in between and feeling warmer for most. Maximum temperature 27 deg C (81 deg F).

Outlook for Tuesday to Thursday:
Turning more unsettled with outbreaks of rain and frequent showers throughout, these possibly heavy and thundery. Some sunny spells at times and feeling cooler overall.
